MESSAGE FROM CHIEF OF POLICE MARGO BENNETT

Thank you for taking the time to review the University of California, Berkeley Annual Security and Fire Safety Report (ASFSR). The UC Berkeley ASFSR is provided in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, also known as the Clery Act. The ASFSR is part of our ongoing efforts to inform you of the safety programs and services available and the crimes that are reported to the university. It also contains information about proactive steps you can take to help maintain a safe and secure campus.

This past year, we have taken several steps to enhance our ASFSR and compliance with other components of the Jeanne Clery Act and the Higher Education Opportunity Act of 1990. Our efforts to enhance our process have resulted in some changes to the report this year. You will find more in-depth information about crime on campus

including appropriate campus security policy statements. The ASFSR also explains programs and services UC Berkeley offers to inform students and community members about safety on campus.

Working to keep our campus safe is a top priority for UCPD Berkeley. We take acts of crime against members of our campus and the Berkeley community very seriously. It is our obligation to aggressively investigate reported crimes; when crimes happen, we have systems in place to support survivors of crimes.

Please consider taking part in the prevention and educational programs offered at UC Berkeley. By acting responsibly, caring for community members and remaining vigilant, we can make our campus a safer place. We encourage everyone to report suspicious and unlawful behavior immediately to UCPD Berkeley.

We all have an important role to play in keeping our campus and city safe. We ask for you to work with us to keep Bear Territory safe.

Go Bears! Margo Bennett

Students, faculty and staff, and non-affiliated individuals who report sexual assault, dating or domestic violence, or stalking; assist someone with a report of sexual assault, dating or domestic violence, or stalking; or participate in any manner in an investigation or resolution of a sexual assault, dating or domestic violence, or stalking, are protected from retaliation.

ANNUAL SECURITY REPORT

PREPARATION OF THE ANNUAL REPORT AND DISCLOSURE OF CRIME STATISTICS

The UC Berkeley Police Department (UCPD Berkeley) and UC Berkeley Campus Fire Marshal prepared this report to comply with the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act using information maintained by UCPD Berkeley. UCPD collects crime statistics from other university offices such as the Center for Student Conduct, Residential and Student Services Programs, UCDC Berkeley, and other campus security authorities. Information is also requested from local law enforcement agencies. Each of these offices are also asked to provide updated policy information for the report.

In compliance with federal law and the policy of the University of California Office of the President (UCOP), UC Berkeley will take all necessary steps to ensure that Clery-reportable incidents are properly collected, classified, and counted according to the definitions in the Clery Act and that each incident is reported in the Annual Security and Fire Safety Report (ASFSR) and submitted to the U.S. Department of Education. The UCOP Clery Act Policy can be found at <http://policy.ucop.edu/doc/1100669/Clery>.

This report provides Clery crime statistics for the previous three calendar years (2016, 2017 and 2018) that occurred on the Clery geography for the university. This report

also includes university policies and procedures about campus security, including policies regarding sexual and gender-based violence, alcohol and drugs, and maintaining a safe campus.

The university distributes a notice of the availability of this Annual Security and Fire Safety Report by October 1 of each year to current students and employees with a link to the report <https://ucpd.berkeley.edu/sites/default/files/uc-berkeley-annual-fire-safety-security-report.pdf>. Anyone, including prospective students and employees, may obtain a paper copy of this report by contacting the UCPD Berkeley at (510) 642-6760 located at 1 Sproul Hall.

REPORTING CRIMES AND OTHER EMERGENCIES

UC Berkeley has a number of ways for campus community members and visitors to report crimes, serious incidents, and other emergencies to appropriate university officials. Regardless of how and where you decide to report these incidents, it is critical for the safety of the entire UC Berkeley community that you immediately and accurately report all crimes and other emergencies to the UCPD Berkeley at **(510) 642-6760**. This will ensure an effective investigation and appropriate follow-up actions, which can include issuing a timely warning or emergency notification.

UNIVERSITY OF CALIFORNIA WASHINGTON CENTER, UCDC

Students and employees at the UCDC facility should immediately report all crimes and other emergencies to the coordinators of student development (CSD) at **(202) 415-9275**. If you have an

emergency and cannot reach CSD on duty at (202) 415-9275, please contact the security desk at **(202) 974-6233**. You can also dial the DC Police at **911** or 311 for non-emergency calls.

VOLUNTARY, CONFIDENTIAL REPORTING

If crimes are not reported, little can be done to hold perpetrators accountable. We encourage UC Berkeley community members to promptly and accurately report all crimes and to participate in and support crime prevention and safety awareness efforts. The UC Berkeley community will be much safer when all community members participate in our safety and security initiatives.

If you are the victim of a crime or want to report a crime you are aware of, but do not want to pursue action within the university or criminal justice system, we ask that you consider filing a voluntary, confidential report. Depending upon the circumstances of the crime you are reporting, you may be able file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your personally identifying information confidential, while taking steps to ensure your safety and the safety of others. The confidential reports allow UC Berkeley to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Security and Fire Safety Report. Because police reports are public record under California law, confidentiality of reports cannot be guaranteed. Exceptions exist for sexual assault and crimes where victims or witnesses would be at risk should their names be released to the public.

Anyone may call UCPD Berkeley at **(510) 642-6760** to report concerning information. If you would like to report a crime or related concern but do not wish to reveal your identity, UCPD Berkeley offers an anonymous tip line, CalTIPNow, that allows you to leave information about a crime via text, e-mail or a voice message while ensuring your confidentiality. You may e-mail the tip line at cal@tipnow.com or leave a message or text at **(510) 664-8477**, for more information, go to <http://ucpd.berkeley.edu/campus-safety/report-crime/caltip>. The anonymous tip line should NOT be used for emergency purposes.

At the UCDC, students and employees may file voluntary confidential reports with any member of the residential life team via an informational incident report. These reports do not go through the conduct process and are used to ensure the UCDC leadership is aware of community incidents or trends and can distribute information to the community. These reports can be filed in person with a member of the residential life team at room 412 during the posted hours (11AM-11PM Monday-Friday during academic year).

REPORTING TO UC BERKELEY POLICE

The university encourages the accurate and prompt reporting of all crimes to campus law enforcement and to the appropriate police agencies, when the victim of a crime elects to, or is unable to, make such a report. This is a community responsibility we all share. UCPD is available 24 hours a day by phone at (510) 642-6760

or in person at 1 Sproul Hall. We highly encourage campus community members to report all crimes or concerning behavior directly to UCPD Berkeley, whether or not they want to pursue a formal investigation, to ensure the university can assess security concerns and inform the UC Berkeley community if there is an ongoing threat.

EMERGENCY BLUE LIGHT PHONES

The university has installed more than 130 emergency phones on campus, in outlying parking areas, and at other off campus locations. The phones are located in public areas and are topped with a blue light that remains illuminated at all times. Pushing the circular button on the panel will connect you to UC Police Dispatch. Please visit this link for the campus night map and locations of emergency phones: <http://ucpd.berkeley.edu/campus-safety/night-safety-tips>.

REPORTING TO OTHER CAMPUS SECURITY AUTHORITIES

While the university prefers that community members promptly report all crimes and other emergencies directly to the UCPD Berkeley at **(510) 642-6760** or **911**, we also recognize that some may prefer to report to other individuals or university offices. The Clery Act recognizes certain university officials and offices as campus security authorities (CSAs). According to *The Handbook for Campus Safety and Security Reporting* these individuals are “officials of an institution who have significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings” (4-2).

CSAs are required to report all crimes to the campus Clery coordinator as soon as reasonably possible. The university has an online form to assist CSAs in the prompt reporting of crimes. Please refer to <http://ucpd.berkeley.edu/our-divisions/administration/community-outreach/clery-act/csa-report-form> for the form.

While the university has identified a number of CSAs, we officially designate the following offices as places where campus community members may report crimes:

OFFICE	CAMPUS ADDRESS	PHONE NUMBER
University of California Berkeley Police (UCPD Berkeley)	1 Sproul Hall Berkeley, CA 94720	Emergency: 911 Emergency from Cell: (510) 642-3333 Non-Emergency: (510)-642-6760

PASTORAL AND PROFESSIONAL COUNSELORS

According to the Clery Act, pastoral, professional counselors and confidential advocates who are appropriately credentialed and hired by UC Berkeley to serve in a counseling role are not considered campus security authorities when they are acting in the counseling role. The institution has reporting procedures that encourage pastoral and professional counselors, if and when they deem it appropriate, to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics.

ABOUT THE UNIVERSITY OF CALIFORNIA BERKELEY POLICE DEPARTMENT (UCPD BERKELEY) AND UCDC SECURITY

ROLE, AUTHORITY, AND TRAINING

The University of California Police Department, Berkeley is empowered pursuant to section 830.2 (b) of the California Penal Code and fully subscribes to the standards of the California Commission on Peace Officer Standards and Training (POST). UCPD Berkeley officers have the authority to conduct criminal investigations and make arrests anywhere in the State of California. Officers receive the same basic training as city and county peace officers through the state, plus additional training to meet the unique needs of a campus environment. The primary jurisdiction of the UC Berkeley Police Department is university owned properties on and around core campus. The department handles all patrol, investigation, crime prevention education, and related law enforcement duties for the campus community. The department provides these services 24 hours per day seven days a week.

The Security Patrol Officer (SPO) Program at UCPD Berkeley provides non-sworn, uniformed officers at university facilities. Their primary responsibility is to provide security and safeguard university property. These officers do not have arrest authority.

Community service officers (CSOs) are student employees of the police department. CSOs run several safety programs at Berkeley, such as BearWALK, building watch, and night patrol. These officers do not have arrest authority.

At times UCPD supplements its staff with officers from other agencies who have arrest authority under mutual aid agreements. The university may occasionally hire event staff that are exclusively security or crowd management and do not have arrest authority.

UNIVERSITY OF CALIFORNIA WASHINGTON CENTER, UCDC

Security at the Washington Center (UCDC), is provided by access control systems, video systems (CCTV), and security guard services. These officers do not have arrest authority and confine their efforts to UCDC property. All entry and exit points to the building are monitored 24/7 by a network based video monitoring system. Access control is maintained and monitored by Stanley Convergent Security Services. The security guard station in the main lobby is staffed 24/7.

UC BERKELEY COMMITMENT TO SAFETY

UC Berkeley takes great pride in its community and has many advantages for students, faculty, and staff. The University is a great place to live, learn, work, and study. However, like other communities, the campus is not immune from crime, fire, or other unfortunate circumstances.

Theft is the most common crime on the Berkeley campus. To address this, UCPD Berkeley actively promotes the practice of community crime prevention. UC Berkeley provides many programs and campaigns developed to help promote safety awareness, to educate about preventive actions, and to encourage communication with UCPD.

The most effective thing you can do to reduce the likelihood of crime is to develop a strong sense of community with others at your residence, living group, or workplace. Exchange information about your schedules and keep an eye on property in your living and work areas.

UC Berkeley takes progressive measures to create and maintain a reasonably safe environment on campus. Though the university is progressive with its policies, programs, and education, it is up to each one of us to live with a sense of awareness and use reasonable judgment when living, working, or visiting on campus. Please report suspicious activities to the UCPD Berkeley at (510) 642-6760 or 911.

WORKING RELATIONSHIPS WITH LOCAL, STATE, AND FEDERAL LAW ENFORCEMENT AGENCIES

UCPD Berkeley maintains a cooperative relationship with local police agencies. This includes inter-operative radio capability, a joint police records computer system, training programs, special events coordination, and investigation of serious incidents.

UCPD Berkeley has a memorandum of understanding (MOU) with the City of Berkeley Police Department. The MOU outlines the administrative responsibility, the geographic responsibility, and the operational responsibility. Key topics in the MOU are emergency response to crimes, medical or fire response, alarm response, 911 response, explosive ordinance response (Bomb Team), tactical operations, special events, south campus patrol, and People's Park. The MOU also addresses ongoing communication and informational exchanges in the form of reports and statistical data.

MONITORING & REPORTING OF CRIMINAL ACTIVITY

The UCPD Berkeley does not routinely provide law enforcement services to off-campus student organizations. Criminal activity at off-campus locations would normally be reported to the local law enforcement jurisdiction.

UCPD Berkeley relies on its close working relationships with local law enforcement agencies to receive information about incidents involving our students and recognized student organizations, on and off campus. The MOU between the UCPD Berkeley and the City of Berkeley Police Department addresses the collaboration between the two departments to enhance the reporting, investigation, and appropriate response to crimes in each jurisdiction. When the UCPD Berkeley learns of students or student organizations involved in criminal activity, it will coordinate with the appropriate external law enforcement agency to forward information to the Center for Student Conduct, as appropriate.

The university requires all recognized student organizations to abide by university policies and federal, state, and local laws. The university may become involved in the off campus conduct of recognized student organizations when such conduct is determined to affect a substantial university interest (as defined in the University Conduct Policy at <http://sa.berkeley.edu/code-of-conduct>).

UNIVERSITY OF CALIFORNIA WASHINGTON CENTER, UCDC

The UCDC Campus does not have any recognized student organizations that control noncampus property. Therefore, criminal activity that occurs on noncampus property controlled by officially recognized student organizations is not monitored or recorded through local police agencies. However, crime statistics are requested annually from the DC Metropolitan Police Department.

TIMELY WARNING REPORTS

OVERVIEW

In the event of a report of a Clery Act crime on Clery Act geography that constitutes a serious or ongoing threat to members of the campus community, a campus-wide timely warning will be issued to all students and employees. The intent of a timely warning is to aid in the prevention of similar crimes by helping members of the campus community protect themselves.

Anyone with information regarding criminal activity that may warrant a timely warning should immediately report the circumstances to the University of California Police Department, Berkeley (UCPD).

In accordance with California state law, the university directs all campus security authorities (CSAs) to report Part 1 violent crimes, sexual assaults, and hate crimes to UCPD immediately, or as soon as is practicably possible. The university has also communicated with neighboring law enforcement agencies asking them to notify UCPD if they receive reports or information warranting a timely warning.

TIMELY WARNING CRITERIA

A timely warning will be issued by the university when the criteria below have been met:

1. A crime is reported to UCPD or a CSA;
2. The crime is a Clery Act crime;
3. The crime is reported to have occurred on the Clery Act geography of the university; and
4. The circumstances present a serious or ongoing threat to the campus community.

The university has the discretion to issue safety alerts in other situations as well.

Crimes reported to confidential resources, such as professional counselors, or privileged information protected by state law are exempt from timely warning consideration.

SERIOUS OR ONGOING THREAT ANALYSIS

The on-duty UCPD patrol sergeant or designee, in collaboration with command staff as necessary, is responsible for determining what constitutes a serious or ongoing threat to the campus community. This evaluation is completed on a case-by-case basis in consideration of the circumstances of the situation at hand. There may be times when a Clery Act crime occurred on Clery geography, but the situation does not present an ongoing threat to the campus community and thus would not necessitate a timely warning.

TIMELY WARNING CONTENT

The timely warning will include information that the on-duty UCPD patrol sergeant or designee determines is necessary and appropriate to promote safety and aid in the prevention of similar crimes.

The content of a timely warning will, at minimum, include the time, location, and type of crime. The warning may also provide other brief information about the situation if warranted, and information that promotes safety and helps individuals protect themselves from similar crimes. However, caution will be taken to not issue such a lengthy warning that it cannot be quickly understood by recipients.

Names of the victim(s) will be withheld from timely warnings, and the university will also refrain from including information that could compromise law enforcement efforts.

TIMELY WARNING METHODS

The on-duty UCPD patrol sergeant or designee is responsible for communicating timely warnings to all students and employees via email and/or text message using the Everbridge emergency notification system, branded UCB WarnMe. Students, faculty, and staff are automatically

registered for UCB WarnMe with their CalNet emails. Campus community members can update their contact information and add text messaging to their account by going to <https://warnme.berkeley.edu/>, clicking the “update your info” button, and logging in with a CalNet ID. Community members, parents, and friends can sign up for email alerts by going to <https://local.nixle.com/register/>. The university may also supplement the email and/or text message with other methods or a combination of other methods, such as paper postings on building doors, a message on the UCPD website, or public announcements.

UPDATING THE TIMELY WARNING

After a timely warning has been issued, the on-duty UCPD patrol sergeant or designee will consider whether a follow-up warning needs to be communicated to the campus community about the situation. If it is determined that a follow-up warning is necessary, it will be made in the manner described above.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

EMERGENCY MANAGEMENT AT UC BERKELEY

The Office of Emergency Management (OEM) is responsible for the campus Emergency Operations Plan (EOP). This plan is designed to be an all-hazards disaster response and emergency management plan that complies with Federal Emergency Management Agency (FEMA) guidelines for higher education that includes planning, mitigation, response, and recovery actions.

Our priorities are:

- Life safety, infrastructure integrity, and environmental protection during an emergency
- Coordination with UC Berkeley departments to write, maintain, test, and exercise the EOP
- Cooperation, integration, and mutual aid with federal, state, and local planning, response, and public safety agencies and their EOPs.

You can find more information on the UC Berkeley Emergency Operations Plan and other preparedness information at <http://oem.berkeley.edu/>.

DRILLS, EXERCISES, AND TRAINING

UC Berkeley conducts an emergency management exercise to test emergency procedures annually. The scenarios for these exercises change from year-to-year and include several departments from across the campus. These tests may include drills, tabletop exercises, emergency operations center exercises, or campus-wide emergency response exercises. The university conducts after-action reviews of all emergency management exercises. OEM maintains records of the after-action review process and tracks the completion of corrective actions.

OEM designs at least one scheduled exercise each year to test emergency response and evacuation on a campus-wide scale. The test is designed to address the plan for evacuating campus buildings and evacuation notification capabilities for UC Berkeley. OEM tests key aspects of campus evacuation procedures annually in October in conjunction with an announced statewide exercise. This annual test is designed with clear written objectives that are assessed and evaluated as part of the after-action review process. This test is announced to the campus community via a community-wide email messaging system known as Cal Messages. This campus-wide email contains a link to the UC Berkeley emergency response and evacuation procedures. Following the test, OEM leads the completion of the development of an after action report which is maintained by OEM for seven years.

EMERGENCY NOTIFICATION

UC Berkeley is committed to ensuring the campus community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation on campus that poses an immediate threat to the health and safety of campus community members. UC Berkeley uses the Everbridge emergency notification system, branded UCB WarnMe. UCB WarnMe is an emergency mass notification service that proactively contacts students, staff, and faculty at their CalNet Directory e-mail. UCB WarnMe can be used to send emergency messages after the occurrence of an incident. Messages can be sent by multiple methods to the contact information listed in the campus directory as well as contact information registered by the users.

UC Berkeley will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. The institution will, without delay and taking into account the safety of the community determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgement of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

In the event that a significant emergency or dangerous situation occurs, UCPD Berkeley will; (1) confirm the existence of a significant emergency or dangerous situation; (2) determine the appropriate segment or segments of the campus community to notify; (3) determine the content of the emergency notification; and (4) initiate the emergency notification system.

CONFIRMING THE EXISTENCE OF A SIGNIFICANT EMERGENCY OR DANGEROUS SITUATION AND INITIATING THE EMERGENCY NOTIFICATION SYSTEM

UCPD Berkeley and/or other campus first responders may become aware of a critical incident or other emergency

situation that potentially affects the health and/or safety of the campus community. If a dangerous situation is reported to UCPD Berkeley Police Dispatch, UCPD Berkeley officers or other local authorities will determine if there is a legitimate threat by either responding to the scene or through the report of a credible witness. Some emergencies (e.g. infectious diseases) may be reported through other university offices such as University Health Services.

Once first responders confirm that there is a significant emergency or dangerous situation that poses an immediate threat to the health or safety to some or all members of the campus community, first responders will notify supervisors at UCPD Berkeley or other authorized university offices to issue an emergency notification.

In the event of a situation that poses an immediate threat to members of the campus community, the university has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event for emergency notification to all or a segment of the campus community. These methods of communication may include the Everbridge mass notification system (UCB WarnMe), alert & warning siren system, the university email system, social media, or verbal announcements via public address systems. The university may post updates during a critical incident on the university homepage. If the situation warrants, the university will establish a telephone call-in center to communicate with the campus community during an emergency situation.

If the university activates its emergency notification system in response to a situation that poses an immediate threat to members of the campus community, several offices at the university are responsible for notifying the larger community, such as parents, the local community, alums, etc., about the situation and steps the university has taken to address the emergency. Primarily, the Office of Communications & Public Affairs is responsible for crisis communications and for maintaining communications with national, regional, and local news outlets.

The authorized representatives to request or initiate all or some portions of the emergency notification system in an emergency, urgent or important situation include:

1. UCPD Berkeley chief, UCPD command staff, or designee;
2. UC Berkeley Office of Emergency Management director, or designee;
3. Designated public affairs personnel;
4. Chancellor;
5. Executive vice chancellor & provost;
6. Vice chancellor for administration; and
7. Emergency operations center (EOC) director.

DETERMINING THE APPROPRIATE SEGMENT OR SEGMENTS OF THE CAMPUS COMMUNITY TO RECEIVE AN EMERGENCY NOTIFICATION

University and/or local first responders on the scene of a critical incident or dangerous situation will assist those preparing the emergency notification with determining what segment or segments of the university community should receive the notification. Generally, campus community members in the immediate area of the dangerous situation (e.g. the building, adjacent buildings, or surrounding area) will receive the emergency notification first. The university may issue subsequent notifications to a wider group of community members.

In addition to the emergency notification that may be issued via the university mass notification system, the university may also post applicable messages about the dangerous condition on the university homepage to ensure the rest of the campus is aware of the situation and the steps they should take to maintain personal safety. If the emergency affects a significant portion of the entire campus, university officials will distribute the notification to the entire campus community.

DETERMINING THE CONTENT OF THE EMERGENCY NOTIFICATION

UCPD Berkeley will determine the contents of the notification based on each situation. The university has developed a wide range of template messages addressing several different emergency situations. The individual authorizing the alert will select the template message most appropriate to the ongoing situation and modify it to address the specifics of the present incident. In those cases where there are no predetermined template messages in the system, the individual authorizing the alert will develop the most succinct message to convey the appropriate information to the community. The goal is to ensure that individuals are aware of the situation and they know the steps to take to safeguard their personal safety.

Follow up/status update notifications are released when there is new information or instructions for the university population, such as changes in protective actions. Messages are also sent at appropriate intervals to reiterate the current state of the emergency, especially if significant time has passed since the last update. An all-clear notification will be sent at the conclusion of an event when it is helpful to provide an all clear message.

SECURITY OF AND ACCESS TO UC BERKELEY FACILITIES

UCPD Berkeley maintains control of access to campus facilities, monitors the issuance of keys, and administers alarm systems. It is important to understand that the Berkeley campus is generally open to the public. Administrative buildings are open from 8:00 a.m. until 5:00 p.m., Monday through Friday and academic buildings generally are open from 7:00 a.m. until 10:00 p.m. Academic buildings are scheduled to be open on weekends, only as needed. Access to individual classrooms and laboratories is

limited to those enrolled in the courses meeting there. Likewise, access to most programs is limited to those enrolled in the program or otherwise authorized access.

UNIVERSITY OF CALIFORNIA WASHINGTON CENTER, UCDC

The Washington Center (UCDC) is secured by access control, CCTV, and security guard service. All entry and exit points to the building are monitored 24/7 by a network based CCTV system. Access control is maintained and monitored by Stanley Convergent Security Services. The security guard station in the main lobby is manned 24/7. The front doors of the building open at 7:30 a.m. and lock at 6:30 p.m. Access to classrooms and offices is generally limited to those attending classes or meetings in those spaces.

SPECIAL CONSIDERATIONS FOR RESIDENCE HALL ACCESS

The residence halls are locked 24 hours a day, with entry controlled by a mechanical and/or card key system. Auxiliary staff members are responsible for checking and securing doors when needed. All residence hall and apartment exterior doors are equipped with locks and with crash bars to ensure a quick emergency exit. Only residents and their invited guests are permitted in the living areas of the residence halls. It is the responsibility of the residents to ensure that their guests are aware of the university and residence hall policies. Guests are not provided with room keys or door access cards. A resident of the building must escort all guests at all times. It is the responsibility of residents and staff members to challenge or report individuals who cannot be identified as residents or the guests of residents. When university police receive a report of a suspicious person in the residence halls, a police officer is dispatched to identify that person.

UCPD Berkeley encourages students and employees to take responsibility for keeping themselves, their belongings, and everyone with whom they live and work safe.

SECURITY CONSIDERATIONS FOR THE MAINTENANCE OF CAMPUS FACILITIES

UC Berkeley is committed to a safe and healthy campus environment and commits resources, such as the campus architect, campus landscape architect, campus real estate, campus construction & design, and facility services to address safety and security considerations for campus facilities. Locks, landscaping, and outdoor lighting are designed for safety and security. Sidewalks are designed to provide well-traveled, illuminated routes from parking areas to buildings and from building to building. Grounds keeping personnel trim shrubs from sidewalks, walkways, and building entrances to make sure routes to buildings are in good repair. All campus walkways are inspected at least twice per year to ensure adequate lighting. Burned-out lights are promptly replaced. Representatives from several campus departments, including UCPD Berkeley, conduct an annual survey of university property to evaluate campus lighting.

We encourage community members to promptly report any security concern, including concerns about locking mechanisms, lighting, or landscaping to the UCPD Berkeley at (510) 642-6760. You can view a map showing campus buildings and pathways at <http://www.berkeley.edu/map>.

The institution will provide accommodations/protective measures if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement.

VIOLENCE AGAINST WOMEN ACT OFFENCES

- A **sexual assault** is defined as an offense that meets the definition of rape, fondling, statutory rape, or incest as used in the FBI's Uniform Crime Reporting (UCR) program. Per the National Incident-Based Reporting System User Manual from the FBI UCR Program, a sex offense is "any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent."
- **Domestic violence** is defined as a felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; a person with whom the victim shares a child in common; a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime occurred.
- **Dating violence** is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim.
- **Stalking** is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others; or suffer substantial emotional distress.

REPORTING AT UCDC BERKELEY

VAWA OFFENSES AS DEFINED BY THE UNIVERSITY OF CALIFORNIA (EDUCATION CODE SECTION 67386)

CONSENT

Consent is affirmative, conscious, voluntary, and revocable. Consent to sexual activity requires of each person an affirmative, conscious, and voluntary agreement to engage in sexual activity.

It is the responsibility of each person to ensure they have the affirmative consent of the other to engage in the sexual activity. Lack of protest, lack of resistance, or silence do not alone constitute consent. Affirmative consent must be ongoing and can be revoked at any time during sexual activity.

The existence of a dating relationship or past sexual relations between the complainant and respondent will never by itself be assumed to be an indicator of consent (nor will subsequent sexual relations or dating relationship alone suffice as evidence of consent to prior conduct).

The respondent's (the person who is answering a charge) belief that the complainant (the person who is bringing forth the complaint) consented will not provide a valid defense unless the belief was actual and reasonable. In making this determination, the factfinder will consider all of the facts and circumstances the respondent knew, or reasonably should have known, at the time. In particular, the respondent's belief is not a valid defense where:

1. The respondent's belief arose from the respondent's own intoxication or recklessness;
2. The respondent did not take reasonable steps, in the circumstances known to the respondent at the time, to ascertain whether the complainant affirmatively consented; or
3. The respondent knew or a reasonable person should have known that the complainant was unable to consent because the complainant was incapacitated, in that the complainant was:
 - a. asleep or unconscious;
 - b. unable to understand the fact, nature, or extent of the sexual activity due to the influence of drugs, alcohol, or medication; or
 - c. unable to communicate due to a mental or physical condition.

Note: Incapacitation is a state beyond drunkenness or intoxication. A person is not necessarily incapacitated merely as a result of drinking, using drugs, or taking medication.

For more information on consent please go to: <https://uhs.berkeley.edu/consent>.

Sexual Violence

- a. **Sexual Assault - Penetration:** Without the consent of the complainant, penetration, no matter how slight, of:
 - The complainant's mouth by a penis or other genitalia;or

- The complainant's vagina or anus by any body part or object.

b. **Sexual Assault - Contact:** Without the consent of the complainant, intentionally:

- touching complainant's intimate body part (genitals, anus, groin, breast, or buttocks);
- Making the complainant touch another or themselves on any intimate body part; or
- Touching the complainant with one's intimate body part, whether the intimate body part is clothed or unclothed.

Note: This definition encompasses a broad spectrum of conduct, not all of which is sexual violence. So, the Title IX officer must sometimes determine whether an allegation should be charged as sexual violence or sexual harassment.

Conduct that meets the definition of both Sexual Assault-Contact and Sexual Assault-Penetration will be charged as Sexual Assault-Penetration.

Note: Sexual Assault-Penetration and Sexual Assault - Contact are aggravated when it includes the following:

- Overcoming the will of complainant by:
 - Force (the use of physical force or inducing reasonable fear of immediate or future bodily injury);
 - Violence (the use of physical force to cause harm or injury);
 - Menace (a threat, statement, or act showing intent to injure);
 - Duress (a direct or implied threat of force, violence, danger, hardship, or retribution that is enough to cause a reasonable person of ordinary sensitivity, taking into account all circumstances including age and relationship (including a power imbalance), to do or submit to something that they would not otherwise do; or
 - Deliberately causing the complainant to be incapacitated (for example, through drugs or alcohol);
- Deliberately taking advantage of the complainant's incapacitation (including incapacitation that results from voluntary use of drugs or alcohol); or
- Recording, photographing, transmitting, or distributing intimate or sexual images of complainant without complainant's prior knowledge and consent.

c. Relationship Violence

i. Relationship violence is:

- Physical violence toward the complainant or a person who has a close relationship with the complainant (such as a current or former spouse or intimate partner, a child or other relative), or

- Intentional or reckless physical or non-physical conduct toward the complainant or someone who has a close relationship with the complainant (such as a current or former spouse or intimate partner, a child, or other relative) that would make a reasonable person in the complainant's position fear physical violence toward themselves or toward the person with whom they have the close relationship,

That is by a person who is or has been in a spousal, romantic, or intimate relationship with the complainant, or who shares a child with the complainant, and that is part of a pattern of abusive behavior by the person toward the complainant.

- Physical violence is physical conduct that intentionally or recklessly threatens the health and safety of the recipient of the behavior, including assault.
 - Patterns of abusive behavior may consist of or include non-physical tactics (such as threats, isolation, property destruction, abuse of pets, economic control, displaying weapons, degradation, or exploitation of a power imbalance).
 - The nature of the relationship between the complainant and the respondent is determined by the length and type of relationship, and the frequency of interaction between them. Relationship violence includes both dating violence and domestic violence.
 - Conduct by a party in defense of self or another is not relationship violence under this policy. If either party asserts that they acted in defense of self or another, the Title IX officer will use all available, relevant evidence to evaluate the assertion, including reasonableness of the defensive actions and which party is the predominant aggressor.
- d. **Stalking:** Repeated conduct directed at a complainant (for example, following, monitoring, observing, surveilling, threatening, communicating, or interfering with property), of a sexual or romantic nature or motivation, that would cause a reasonable person to fear for their safety or the safety of others or to suffer substantial emotional distress. Stalking of a non-sexual nature is addressed by other university policies including but not limited to the Policy on Student Conduct and Discipline Section 102.10

Retaliation

Retaliation includes threats, intimidation, reprisals, and/or adverse employment or educational actions against a person based on their report of prohibited conduct or participation in the investigation, report, remedial, or disciplinary processes provided for in the UC Policy on Sexual Violence and Sexual Harassment.

PROCEDURES VICTIMS SHOULD FOLLOW

If you experience sexual assault, dating violence, domestic violence, or stalking:

- Go to a safe place as soon as you can.
- Contact UCPD Berkeley emergency: 911; emergency from cell (510) 642-3333; non-emergency (510) 642-6760 or Berkeley Police Department at 911 or (510) 981-5900
- Students at UCDC should contact the dial the DC Metro Police at 911 or 311 for non-emergency calls, and the coordinators of student development (CSD) at (202) 415- 9275 or the Washington Center security desk at (202) 974-6233.
- Get medical attention as soon as possible to make sure you are physically well.
- Speak with a confidential advocate to help explain your rights and options, give you information, and provide emotional support. Please contact (510) 642-1988 (Office appointment) or the CARE Line (24/7 urgent support) (510) 643-2005 or visit <http://care.berkeley.edu>.

It is important to preserve evidence to aid in the possibility of a successful criminal prosecution or obtaining a protection order. A victim of a sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical exam. Any clothing removed should be placed in a paper bag. Evidence of violence, such as bruising or other visible injuries, following an incident of dating or domestic violence should be documented including through the preservation of photographic evidence. Evidence of stalking including any communication, such as written notes, voicemail, or other electronic communications should be saved and not altered in any way.

FILING A COMPLAINT WITH THE UNIVERSITY

Cases involving a complaint of sexual assault, sexual harassment, and/or gender discrimination are first assessed for possible policy violations by the Office for the Prevention of Harassment and Discrimination (OPHD).

- **Who?** OPHD is responsible for ensuring the university provides an environment for faculty, staff, and students that is free from discrimination and harassment on the basis of protected categories including race, color, national origin, gender, age, sexual orientation/identity, and pregnancy.
- **What?** OPHD oversees the process for the investigation and resolution of sexual harassment and sexual violence complaints against faculty, staff, and students pursuant to the UC Policy on Sexual Violence and Sexual Harassment.

- **Where?** You can reach OPHD at (510) 643-7985, ask_ophd@berkeley.edu and/or <http://ophd.berkeley.edu> 2111 Bancroft Way. At the conclusion of an OPHD investigation involving allegations of sexual violence, OPHD makes a recommendation regarding a violation of the UC Policy on Sexual Violence and Sexual Harassment (SVSH), and forwards that report to the Center for Student Conduct (CSC) to determine violations of the SVSH Policy and the Code of Student Conduct.

CENTER FOR STUDENT CONDUCT (CSC)

- **Who?** The CSC determines if a student or student organization engaged in behavior that violates the Code of Student Conduct. Students, faculty, staff, and community members can report an incident to the Center for Student Conduct.
- **What?** CSC reviews information reported to the office and will contact the student or student organization if there is reason to believe that the Code of Student Conduct may have been violated. The student or student organization charged with violating the code has the option to resolve the case by meeting with CSC or by having a hearing. During a meeting with CSC, a CSC staff member listens to the student's side of the story and determines whether the student is responsible for violating the code. If the student is found responsible for violating policy, the CSC staff member proposes sanctions and the case is considered resolved if the student agrees with the sanctions. If the student does not agree with the proposal the case goes to a hearing. During a hearing, either a panel or the independent hearing officer makes the determination of responsibility and recommends sanctions to the dean of students. Regardless of whether a case is resolved through a meeting with CSC or by going to a hearing, disciplinary action is based on a combination of factors, including the circumstances of the particular case and past conduct history. Sanctions include a range of outcomes, including suspension and dismissal from the university.
- **Where?** CSC is located at 203 Sproul Hall. You can reach the office by phoning (510) 643-9069 or emailing studentconduct@berkeley.edu.

The university will maintain as confidential any accommodations or protective measures provided to the survivor to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

VICTIM CONFIDENTIALITY

The University of California Berkeley recognizes the sensitive nature of sexual violence and is committed to protecting the privacy of any individual who reports an incident of sexual violence and harassment. However, reports made to law enforcement, including if criminal prosecution is pursued, may be made public and shared with the suspect, unless the report is subject to victim confidentiality per California Penal Code section 293 and Government Code sections 6253 and 6254.

Reports made to UC Berkeley officials will be kept confidential and identifying information about the victim shall not be made public per California Penal Code section 293. Information can be requested through the Office of the Chancellor via the California Public Records Act, but some details may be redacted. Reports

made to the PATH to Care Center, medical professionals, licensed mental health counselors, and staff within the ombuds offices will not be shared with third parties except in cases of imminent danger to the victim or a third party.

UCPD Berkeley will not release names of victims in publicly available Clery recordkeeping such as timely warnings, emergency notifications, the Daily Crime Log, or the Annual Security and Fire Safety Report

BYSTANDER INTERVENTION AND RISK REDUCTION

Together we can help to prevent violence and harm by becoming active bystanders who care for one another. Being an active bystander means that you TAKE ACTION when you see a situation that could be potentially harmful to another person. Every step counts no matter how small you think it is.

The CARE (Confront, Alert, Re-Direct, and Engage) Model equips UC Berkeley community members with strategies for taking action. Depending on the situation at hand and your personal style for intervening, there is always an option for taking action while keeping yourself safe. Through interactive workshops about bystander intervention, Bears That CARE educates and empowers individuals to effectively and safely intervene in potentially harmful or violent situations. We strive to create a community of care. Bystander intervention is a great tool and has the power to transform our campus. For more information, please visit <http://sa.berkeley.edu/btc>.

EDUCATION PROGRAMS

UC Berkeley prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking as those terms are defined for the purposes of the Clery Act. The university is committed to increasing the awareness of and preventing sexual violence. All incoming students and new employees are provided with programming and strategies intended to prevent sexual assault, domestic violence, dating violence and stalking before it occurs through the changing of social norms and other approaches. These programs cover topics such as the definition of consent, options for bystander intervention, information about risk reduction, and university policies and procedures for responding to these incidents.

DISCIPLINARY PROCEEDINGS

UC Berkeley strictly prohibits all acts of sexual assault, domestic violence, dating violence, and stalking. In addition to facing criminal action, students, employees and other affiliates may also face disciplinary action by the university. Employees found responsible for having committed such a violation face discipline up to and including termination of employment and students face disciplinary action up to and including dismissal from the university. Other disciplinary actions may include formal letters of warning or censure, disciplinary probation, or demotion. The Center for Student Conduct handles incidents involving accused students and Central Human Resources handles incidents involving

accused employees. The Academic Personnel Office implements policies governing the discipline of non-Senate faculty and non-faculty academic personnel. The Faculty Code of Conduct governs matters involving faculty members of the Academic Senate (tenure-track faculty) accused of misconduct.

STUDENT CONDUCT PROCEEDINGS

All conduct and disciplinary proceedings involving students, whether the conduct is reported to have occurred on or off campus, as appropriate, shall provide a prompt, fair and impartial investigation and resolution by university officials. The officials will, at a minimum, receive annual training on the issues related to dating violence, domestic violence, sexual assault, and stalking, as well as how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. Determination of responsibility for violating the Code of Student Conduct is made using the preponderance of the evidence standard (which means that it is more likely than not that the alleged misconduct occurred).

In all student proceedings, including any related meetings, both the respondent and the complainant are entitled to the same opportunities to have others present, including the right to be accompanied by an advisor and a support person of their choice. Both the respondent and complainant shall simultaneously be informed in writing of the outcome of the proceedings, the procedures for appealing the results, and of case progression through the conduct process, including notice of final outcome. Disclosure of the outcome shall be made to both parties unconditionally, simultaneously, and each shall be free to share or not share the details with any third parties.

For additional information about student conduct proceedings, please consult the Code of Student Conduct available at <http://sa.berkeley.edu/conduct>.

FACULTY AND STAFF PROCEEDINGS

All disciplinary proceedings involving staff and faculty shall follow a prompt, fair, and impartial investigation and resolution by officials who have received annual training on the nature of the types of cases they are handling, on how to conduct an investigation, and shall follow the specific personnel policies or academic code of conduct policies that govern that individual's employment or academic appointment status. Individuals accused of sexual misconduct or gender violence can bring representatives or support persons to their interviews and disciplinary meetings. Complainants shall be informed of the outcome of the disciplinary process, as required by UC system-wide policy.

UNIVERSITY DISCIPLINARY PROCEDURES IN SEXUAL AND GENDER-BASED VIOLENCE INCIDENTS

The university disciplinary processes for students and employees are designed to afford a complainant and a respondent

a fair, prompt, and appropriate resolution process. People who need support as they address these incidents can seek both campus and community-based services during the process. The protocol for how the university responds to sexual assault, dating and domestic violence, and stalking complaints through the campus conduct process can be found in the University of California Policy on Sexual Harassment and Sexual Violence, and in the local implementing procedures, all of which can be found at <https://ophd.berkeley.edu/>.

University disciplinary sanctions include, but are not limited to: dismissal from the University of California, suspension, exclusion from areas of the campus or from official university functions, loss of privileges, exclusion from activities, restitution, probation, censure/warning, and/or other actions as set forth in university policy and campus regulations.

COMPLAINT RESOLUTION PROCESS

The University of California Policy on Sexual Violence and Sexual Harassment, which applies to students, faculty, and staff, states that complainants and respondents may have an advisor present when

interviewed and at any related meeting during the investigation process. Other support persons may be allowed under other policies (e.g. personnel policies or a collective bargaining agreement). Other witnesses in the investigation may have an advisor present at the discretion of the investigator or as required by university policy or collective bargaining agreement. Full text of this policy is available at the Office for the Prevention of Harassment and Discrimination (OPHD) website at <http://ophd.berkeley.edu/>.

UC Berkeley will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim.

	PROCESS	OFFICES RESPONSIBLE	AVAILABLE SANCTIONS	ANTICIPATED TIMELINES
Undergraduate & Graduate Students	<ul style="list-style-type: none"> In all cases within the disciplinary proceeding, regardless of the location of the alleged misconduct, the university will provide the complainant with the survivor support handout that explains the various rights and options when reporting an incident of sexual harassment, sexual assault, dating violence, domestic violence, or stalking. Wherever possible, the University will provide the complainant with access to medical care, emotional support, information regarding confidential care advocates, and, when requested, academic/housing accommodations. The university will assess the immediate safety needs of the complainant, including, for example, assisting with acquiring protective/restraining orders or other protective measures, including “No-Contact” directives. The university will give provide information for reporting to UCPD Berkeley or the local police department, when applicable and will assist complainant with contacting law enforcement, if the complainant requests. According to the UC Policy on Sexual Violence and Sexual Harassment, The Office for Prevention of Harassment and Discrimination (OPH), directed by the Title IX officer for UC Berkeley, will consult with relevant campus partners (e.g., PATH to Care, RSSP, Center for Student Conduct (CSC), and UCPD to assess the need to implement interim or long-term protective measures, such as interim suspensions, exclusions from areas of campus, housing changes, changes in class schedule, and “No-Contact” directives between both parties. OPHD will provide complainants and respondents a copy of the UC Policy on Sexual Violence and Sexual Harassment and local implementing procedures that include an outline of the administrative investigation and adjudication procedures. Respondents will be provided with contact information for the appropriate respondent services coordinator, who can explain the respondent’s rights and options under applicable policies. If an investigation is to be conducted, OPHD and CSC will co-author and send a letter to both the complainant and the respondent notifying them of the investigation as well as describing the Student Conduct charges the respondent would face should the allegations be upheld regarding violations of the UC Berkeley Code of Student Conduct and the UC Policy on Sexual Violence and Sexual Harassment. OPHD will conduct a prompt, fair and impartial investigation of the allegations. OPHD will use a preponderance of evidence standard to make a recommendation to CSC regarding whether the UC Policy on Sexual Violence and Sexual Harassment as well as the Code of Student conduct have been violated. OPHD and CSC will simultaneously notify the complainant and respondent of the outcome of the investigation. OPHD will provide each party with a redacted copy of the written investigation report. CSC will review the OPHD report and offers to meet with the complainant and the respondent to discuss potential sanctions. After reviewing the investigation report and, if applicable, meeting with the parties, CSC will use the preponderance of evidence standard to render a decision regarding responsibility for violating the UC Policy on Sexual Violence and Sexual Harassment and the Code of Student Conduct. CSC will issue an outcome letter to both parties notifying them of the decision applicable sanctions. This letter will also notify the parties of their appeal rights. The complainant and respondent have the right to appeal the decision made by CSC. If no one chooses to appeal the case, the case is closed. If either party appeals the finding, the appeal officer will determine whether the appealing party met the grounds for appeal. In cases with serious sanctions (suspension or dismissal), appeal requests are automatically granted. If an appeal is granted, the appeal officer will convene a hearing in order to consider the appeal. SEXUAL ASSAULT PREVENTION EDUCATION PROGRAMS

In a collaborative effort, UC Berkeley provides a vast array of on-going programs designed to facilitate the prevention and awareness of dating violence, domestic violence, sexual assault, and stalking. The University of California Office of the President (UCOP) requires all faculty and staff to complete sexual harassment/sexual violence prevention training online through the UC Learning Center. All incoming students are also required to complete a series of training programs, both online and in-person, as part of their new student orientation. More information on these requirements can be found here: <http://survivorsupport.berkeley.edu/education-requirement>

Below is a list of resource programs, both mandatory and optional for staff and students that are available at UC Berkeley:

- PATH to Care Center: <http://care.berkeley.edu>
- Survivor Support & Education: <http://survivorsupport.berkeley.edu/>
- Gender Equity Resource Center: <http://geneq.berkeley.edu/>
- Bear Pact: A mandatory presentation that teaches students about important issues faced by college students: sexual violence and harassment, mental health, and alcohol use.
- The LEAD Center provides numerous prevention activities, including training for fraternities and sororities and other university-affiliated student groups. 432 Eshleman Hall, (510) 642-5171 <http://lead.berkeley.edu/>
- Residential and Student Service Program (RSSP) also organizes a variety of prevention activities for their residents, including residence hall staff training. 2610 Channing Way, (510) 643-9179

SEX OFFENDER REGISTRATION – CAMPUS SEX CRIMES PREVENTION ACT

MEGAN'S LAW

California State law requires sex offenders to register with the police in the jurisdiction in which they reside and also that they specifically register with UCPD Berkeley if they are employees, (including contractors) of the university, attend classes, frequent any area associated with the university, or live in university housing.

Members of the campus community may, by appointment with UCPD Berkeley, view information gathered about campus affiliated registered offenders if they:

- Are a member of the UC Berkeley campus community;
- Are at least 18 years of age;
- Have a valid California driver's license or identification card;
- Are not a registered sex offender; and,
- Can clearly state their reason for viewing the campus registered sex offender data file (mere curiosity is not a valid reason to view the information).

Campus community members will be required to establish their connection to UC Berkeley, show a photo ID, sign a statement attesting that they are not a registered sex offender, understand the purpose of the release of information, and understand that it is unlawful to use the information obtained to commit a crime against any sex offender registrant or engage in illegal discrimination or harassment of any registrant. The statement is confidential and is not subject to disclosure under the Public Records Act. A copy of the statement may be made available to law enforcement agencies for law enforcement purposes.

For more information about the Megan's Law Data Program, the campus affiliated registered sex offender data, or to make an appointment, contact the UCPD Berkeley Records Unit at (510) 642-6760. The general public can view sex offender registration information at the Megan's law website at www.meganslaw.ca.gov/.

CAMPUS SECURITY POLICIES, CRIME PREVENTION, AND SAFETY AWARENESS PROGRAMS

In addition to the many programs offered by the university police and university offices, UC Berkeley has established a number of policies and procedures related to ensuring a reasonably safe campus community.

BEHAVIOR RISK ASSESSMENT (BRAT) & STUDENTS OF CONCERN COMMITTEE (SOCC)

The university has established two teams empowered to assess concerning situations and intervene if necessary: the Behavior Risk Assessment Team (BRAT) works to prevent the escalation of threats and violent incidents by students, staff, faculty, or community members; and the Students of Concern Committee (SOCC) provides a means for early intervention of at-risk students. Both BRAT and SOCC are comprised of several campus units, each with personnel having special expertise and professional training. BRAT will address behavior perceived as disruptive, intimidating, threatening, or violent, including actions or statements that expresses intent to inflict harm on an individual or property. SOCC focuses on students who are showing signs of being a danger to themselves or others.

The teams have been formed to augment existing systems and convene when individual service departments don't have adequate resources to respond to situations alone (including legal and psychological issues), coordinate communication internally and externally, and monitor the resolution of situations.

THREAT MANAGEMENT UNIT

UCPD Berkeley Threat Management Unit (TMU) is the law enforcement component of the Behavior Risk Assessment Team and the Students of Concern Committee. The Threat Management Unit assists university affiliates in dealing with cases of threatening, harassing, or aberrant behavior. It investigates, assesses, and manages such incidents. The Threat Management Unit, in conjunction with the UHS Employee Assistance Program, gives safety presentations and educates and advises on how to recognize and report behavior that could lead to violence.

Do not ignore or downplay even indirect threats, as they could escalate into serious incidents. If you are the victim of a threat, report the incident to the police and to your supervisor, academic advisor, or another university representative. These supervisors and advisors should take immediate steps to ensure your safety and address the problem behavior. The police may take a report or arrest the responsible individual if a crime has been committed. If you need help assessing a situation, contact the Threat Management Unit for assistance. UCPD Berkeley, 1 Sproul Hall, (510)642-6760.

WEAPONS POLICY

The possession, carrying, and use of weapons, ammunition, or explosives is prohibited on university owned or controlled property.

The only exception to this policy is for authorized law enforcement officers or others, specifically authorized by the university. Requests for exemption to the weapons policy shall be directed to police@berkeley.edu. Failure to comply with the university weapons policy will result in disciplinary and/or criminal action against violators.

CALIFORNIA CRIME VICTIM'S BILL OF RIGHTS

Marsy's Law significantly expands the rights of victims in California. Under Marsy's Law, the California Constitution article I, §28, section (b) provides victims with the following enumerated rights:

5. To refuse an interview, deposition or discovery request by the defendant, the defendant's attorney or any other person acting on behalf of the defendant and to set reasonable conditions on the conduct of any such interview to which the victim consents.

16. To have the safety of the victim, the victim's family, and the general public considered before any parole or other post-judgment release decision is made.

17. To be informed of the rights enumerated in paragraphs (1) through (16).

THE CENTER FOR STUDENT CONDUCT

Responsibility for pursuing campus disciplinary actions involving students rests with the Center for Student Conduct, which reports to the dean of students. The conduct process is used to determine if a student or student organization engaged in behavior that violates the Code of Student Conduct. Additional details are available in the UC Berkeley Campus Code of Student Conduct.

The Center for Student Conduct supports the mission of the University of California, Berkeley by objectively and efficiently administering our Code of Student Conduct; promoting academic integrity; balancing individual and community interests in order to encourage student accountability; and connecting students to resources that foster student success.

Full text of the Code of Student Conduct can be found at: <http://sa.berkeley.edu/code-of-conduct>.

MISSING STUDENT NOTIFICATION POLICY

UC Berkeley and Residential and Student Service Programs (RSSP) take the welfare of our students very seriously and have the following procedures in place to provide for each student's wellbeing. The missing student policy applies to any student who lives in an on-campus student housing facility, regardless of their age, status, or whether they have registered a confidential contact person. Any person who is aware of a student who is missing must immediately report that information to UCPD Berkeley.

Concerns that may give rise to a missing student investigation may consist of but are not limited to:

- Medical or health related problems;
- The student has not regularly attended classes and has not been seen elsewhere;
- A UC Berkeley official has made an inquiry of concern;
- A parent, roommate, suitemate, or apartment-mate of the student has reported such disappearance due to irregular contact with the student;
- Residential staff believes that a student may be missing based upon absence from the residence or other information received by staff.

While an unexplainable absence of more than 24 hours gives rise to heightened concern, a student may be determined to be missing even if the student has been absent from the campus for a period of less than 24 hours.

POLICY REGARDING CONTACT PERSONS

Each student living in student housing has the option to identify a contact person who will be notified within 24 hours if the student is determined to be missing, if the student has been determined missing by UCPD or local law enforcement. This contact is strictly for missing persons and can be the same as their general emergency contact, or students may also choose someone different. The missing student contact is registered, confidential, accessible only to authorized campus officials, and may not be disclosed except to law enforcement personnel in the furtherance of a missing person investigation. If a student is under 18 and not emancipated, the university will also notify a custodial parent or guardian in addition to notifying any additional contact person designated by the student within 24 hours of the determination that the student is missing.

Students residing in on-campus housing specify emergency contact information in their housing application when accepting a housing offer. On the housing application, students are able to note whether the emergency contact(s) they provide will also serve as their missing student contact.

After providing this initial information, if a student wishes to change either their emergency contact or their missing person contact information, then the student must communicate the changes needed in writing to Cal Housing (reshall@berkeley.edu), including the phone number and email address of their preferred emergency contact or missing student contact

ACTIONS TO BE TAKEN WHEN A STUDENT IS OR MAY BE MISSING

If a student is suspected of being missing, then the reporting party will typically first notify Residential & Student Service Programs staff (e.g. resident assistant, resident director, and/or assistant director). RSSP staff that receives a report that a student is or may be missing or who suspects that a student is missing, will initiate the missing student notification protocol, which includes an attempt to gather information regarding the student's current whereabouts. RSSP staff will also immediately contact UCPD Berkeley for consultation, and to convey any report RSSP staff has received that a student is missing.

FOLLOW UP

When the student is found, RSSP will contact the student and inform them of support services available on campus. In certain situations, RSSP may consult with the Office of the Dean of Students to determine if additional follow up is needed. This support should also be offered to any other students affected by the incident (e.g. roommates or friends).

If the search for the missing student is deemed unsuccessful, the director of residential programs and/or associate vice chancellor for RSSP, UCPD Berkeley, and the dean of students will decide what further action(s) should be taken.

NOTIFYING LAW ENFORCEMENT

Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, UCPD Berkeley will notify the local law enforcement agency that has jurisdiction in the area within 24 hours of the determination that the student is missing, unless the local law enforcement agency was the entity that made the determination that the student is missing.

If UCPD Berkeley has been notified that a student is suspected to be missing and makes a determination that a student has been missing for more than 24 hours, UC Berkeley staff will initiate emergency contact procedures as outlined in the campus policy and protocol.

UNIVERSITY OF CALIFORNIA WASHINGTON CENTER, UCDC

The above procedures apply to the UCDC Berkeley campus with the following exceptions:

- If a student is suspected of being missing, then the reporting party will typically first notify the director of student services or associate director of student services.
- The director will notify campus security and the DC Metro PD of the report of a missing student.
- If the search for the missing student is deemed unsuccessful, the director of student services will decide what further action(s) should be taken.

DAILY CRIME AND FIRE LOG

UCPD Berkeley maintains and publishes a Daily Crime Log of all crimes reported to the department. The log is available online 24 hours per day to members of the public at <https://ucpd.berkeley.edu/alerts-log-news/daily-crime-log>. This log identifies the type, location, and time of each criminal incident reported to UCPD Berkeley. Upon request, a copy of any maintained Daily Crime Log will be made available for viewing within 2 business days of the request.

The UC Berkeley Fire Prevention Division maintains a fire log of all fire incidents that are reported to the fire prevention division in on-campus UC residential buildings. The Daily Fire Log is updated as events are reported. This log identifies the type, location, and time of each fire incident in on-campus residential buildings, reported to the UC Berkeley Fire Prevention Division. The most current 60 days of information is available online to view any time at <https://ehs.berkeley.edu/fire-prevention>. Anyone may obtain a hard copy of the Daily Fire Log by visiting the office of Environment, Health & Safety in University Hall, Suite#317.

CRIME PREVENTION AND SAFETY AWARENESS PROGRAMS

In an effort to promote safety awareness, UCPD Berkeley participates in a variety of programs to educate and inform students, employees, parents, and the community at large on a variety of issues. The programs include general safety presentations for campus community members, targeted violence presentations for students/staff, and pepper spray workshops within the residence halls. Self-defense classes are offered, including R.A.D. (Rape Aggression Defense) for women and R.A.D for men <https://campusclimate.berkeley.edu/students/ejce/geneg/geneg-workshops#calrad>. RadKIDS is a personal empowerment program for the children of university affiliates. The programs are presented upon request or are scheduled at various times and locations on or near campus. UCPD Berkeley also conducts tabling and outreach at resource fairs and campus events such as: Welcome Week, Caltopia, Calapoolza, Cal Day, and Staff Appreciation Day. If you or your organization would like to request a specific program, please contact the crime prevention officer at (510) 642-3722.

UC Berkeley offers comprehensive free night safety services made up of BearWalk Escort, night shuttle buses, and a door-to-door service. The time of day determines what services are available. BearWalks are available from dusk to 3:00am, night shuttles run on routes from 7:30pm to 3:00am, and the door-to-door service is available from 3:00am until 5:30am. For more information or to make a request for services, you may visit <https://nightsafety.berkeley.edu/home> or call (510)-642- 9255.

UNIVERSITY OF CALIFORNIA WASHINGTON CENTER, UCDC

The UCDC Campus discusses safety and crime prevention at orientation and offers a quarterly safety program on urban safety and self-defense.

SECURITY SURVEYS

Contact the UCPD Berkeley Crime Prevention Unit, (CPU), for a security survey and an officer will meet with you to identify areas in your office or building that may need security improvements. The CPU can assist you in safeguarding your building or office against unlawful entry and theft and advise on how to get involved with the SAFETeam program. Please contact the UCPD Berkeley CPU, (510) 642-3722 for more information.

SAFE TEAM PROGRAM

The SAFETeam Program is an application of the neighborhood watch model adapted to a university setting. The program increases communication between the police department and those who live or work on campus property, to facilitate services that are building-specific and help to increase resident awareness of safety issues.

The SAFETeam offers the following:

- Make regular visits to participating buildings in order to provide a visible police presence and stay familiar with building users and issues.
- Work with building coordinators by email to review incidents and crime trends and recommend risk reduction measures.
- Distribute safety education materials to the building.
- Coordinate crime prevention presentations and/or informal Q&A sessions for building occupants.

Please contact the SAFETeam Program at (510) 642-4832 for additional information.

UC BERKELEY POLICIES GOVERNING ALCOHOL AND OTHER DRUGS

ALCOHOL AND DRUG POLICY

The university strives to maintain a campus community and worksite free from illegal use, possession or distribution of alcohol or of controlled substances as defined in schedules I through V of the Controlled Substances Act, 21 United States Code Sec. 812 and by regulation at 21 Code of Federal Regulations Sec.1308.

Unlawful manufacture, distribution, dispensing, possession, use, or sale of alcohol or of controlled substances by university employees and students on university premises, at official university functions, or on university business is prohibited. In addition, employees and students shall not use illegal substances or abuse legal substances in a manner that impairs work performance, scholarly activities, or student life.

Employees found to be in violation of this policy, including student employees, if the circumstances warrant, may be subject to corrective action, up to and including dismissal, under applicable university policies and labor contracts; or may be required, at the discretion of the university, to participate satisfactorily in an employee support program.

Students found to be in violation of this policy may be subject to disciplinary action, up to and including dismissal, as set forth in the Code of Student Conduct and in campus regulations; or may be required, at the discretion of the university, to participate in educational workshops and services.

For specific policies related to the use of alcoholic beverages on campus, please visit this link: <http://ucpd.berkeley.edu/rules/alcohol-and-drugs>.

POLICIES SPECIFIC TO UC BERKELEY STUDENTS

Any student who violates the drug and alcohol policies is subject to disciplinary action including sanctions as outlined in the Code Student of Conduct in addition to any penalties resulting from violating local, state, and/or federal law. Disciplinary sanctions may include: warning, disciplinary probation, suspension, or dismissal from the university. Students residing in university housing may also lose the privilege of living on campus for violating university rules and regulations or conditions of the housing contract. In most cases the Center for Student Conduct will also assign developmental and educational interventions designed to promote greater awareness and improved decision-making for students and to further deter misconduct.

CALIFORNIA ALCOHOL AND DRUG LAWS AND SANCTIONS

California law prohibits furnishing and selling alcoholic beverages to underage (younger than 21) or obviously intoxicated individuals. Underage persons may not buy alcoholic beverages or possess them on campus, in public, or in places open to public view; the penalties for violations of these laws may include substantial fines and jail. Alcohol may not be sold without a license or permit. State law also prohibits driving a motor vehicle under the influence (a blood alcohol level of .08 percent or higher creates a presumption of intoxication, but one can be charged with lower blood alcohol levels); drinking or possessing an open container of alcohol while driving; and operating a bicycle while intoxicated. Drunken driving penalties include jail or prison, fines of \$1,000 or more, driver's license suspension or revocation, and required drug/alcohol treatment programs. Refusing to submit to a test for blood alcohol can result in suspension of driver's license for up to 3 years. Sale or possession for sale of controlled substances such as cocaine, methamphetamines, heroin, ecstasy, GHB, ketamine, LSD, PCP, marijuana, and designer drugs is a felony. Sentences are enhanced for previously convicted felons, for distribution within 1,000 feet of a school or university or within 100 feet of a recreational facility, and for distribution to a pregnant woman or to someone under 18 by one over 18. Property used in drug transactions can be seized.

DRUGS AND ALCOHOL ABUSE EDUCATION PROGRAMS

The University of California recognizes misuse of alcohol and other drugs as a treatable condition and offers programs and services for university employees and students with substance misuse problems in accordance with the Federal Drug-Free Schools and Community Act (DFSCA). The DFSCA biennial review can be viewed at <https://uhs.berkeley.edu/sites/default/files/aod-berkeleybiennialreview20162018.pdf>. Employees and students are encouraged to seek assistance as appropriate from employee support programs, health centers, and counseling or psychological services available at university locations or through referral. Information obtained regarding an employee or student during participation in such programs or services will be treated as confidential, in accordance with federal and state laws.

RESOURCES FOR STUDENTS, FACULTY, AND STAFF

Most Cal students make smart and safe choices about using alcohol and other drugs and don't experience negative academic, physical, or social consequences. However, staff members at the Tang Center play a central role in the year-round initiatives with campus and community partners designed to support low risk alcohol and other drug-related behaviors and environments <https://uhs.berkeley.edu/socialservices>.

As part of the alcohol prevention program for the university, all incoming students are required to complete a confidential, online alcohol education course. The course uses science based research to educate students about alcohol and its effects. The course is designed to help students make informed decisions about alcohol and better deal with drinking behavior that may occur around them.

PartySafe@Cal aims to reduce alcohol-related risks and harm in the campus area. Our efforts operate simultaneously to reach the individual student, the student body as a whole, and the greater college community.

The University Health Services (UHS) works closely with students, faculty and staff, and community partners on year-round services and initiatives that aim to reduce risk, consequences, and harm from the use of alcohol and other drugs.

Services provided at the UHS Tang Center include the following for students:

- Medical, confidential counseling, and educational services for alcohol and other drugs. There is no charge for counseling support and all registered students can access services regardless of their insurance plan.
- PartySafe@Cal
- #OurHouse campaign
- Tobacco & smoking cessation resources

Faculty and staff use the Employee Assistance Program (EAP). For further information on the above programs visit;

- <https://uhs.berkeley.edu/health-topics/alcohol-and-other-drugs>;
- <http://uhs.berkeley.edu/psafe/>; or
- <http://riskservices.berkeley.edu/alcohol-campus>.

UC Berkeley Health Promotion also engages educates and empowers all stakeholders to reduce alcohol and other drug-related risk and harm in the campus area. Further information can be obtained at <http://uhs.berkeley.edu/hp>.

ANNUAL DISCLOSURE OF CRIME STATISTICS

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) requires colleges and universities across the United States to disclose information about crime on and around their campuses. The university police work to maintain a close relationship with police departments where UC Berkeley owns or controls property to help ensure that crimes reported directly to these police departments that involve the university are brought to the attention of the university police department.

The university police collect the crime statistics disclosed in this report through a number of methods. UCPD Berkeley dispatchers and officers enter all reports of crime incidents made directly to the department through an integrated computer aided-dispatch systems/records management system. After an officer enters the report in the system, a department administrator reviews the report to ensure it is appropriately classified in the correct crime category. The department periodically examines the data to ensure that all reported crimes are recorded in accordance with the crime definitions outlined in the FBI Uniform Crime Reporting Handbook and the FBI National Incident-Based Reporting System Handbook (sex offenses only). In addition to the crime data that UCPD Berkeley maintains, the statistics below also include crimes that are reported to various campus security authorizes. The statistics reported here generally reflect the number of criminal incidents reported to the various authorities. The statistics reported for the sub categories on liquor laws, drug laws, and weapons offenses represented the number of people arrested or referred to campus judicial authorities for respective violations, not the number of offenses documented.

Simple Assault – an unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Intimidation – is to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism of Property (except Arson) - to willfully or maliciously destroy, damage, deface or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

CATEGORIES OF BIAS

Race – a preformed negative attitude toward a group of persons who possess common physical characteristics genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind.

Religion – a preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being, e.g., Catholics, Jews, Protestants, atheists.

Sexual Orientation – a preformed negative opinion or attitude toward a group of persons based on their actual or perceived sexual orientation. Sexual orientation is the term for a person's physical, romantic, and/or emotional attraction to members of the same and/or opposite sex, including lesbian, gay, bisexual, and heterosexual (straight) individuals.

Gender – preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender, e.g., male or female.

Gender Identity – preformed negative opinion or attitude toward a person or group of persons based on their actual or perceived gender identity, e.g., bias against transgender or gender non-conforming individuals. Gender non-conforming describes a person who does not conform to the gender-based expectations of society, e.g., a woman dressed in traditionally male clothing or a man wearing makeup. A gender non-conforming person may or may not be a lesbian, gay, bisexual, or transgender person but may be perceived as such.

Ethnicity – a preformed negative opinion or attitude toward a group of people whose members identify with each other, through a common heritage, often consisting of a common language, common culture (often including a shared religion), and/or ideology that stresses common ancestry. The concept of ethnicity differs from the closely related term race in that race refers to a grouping based mostly upon biological criteria, while ethnicity also encompasses additional cultural factors.

National Origin – a preformed negative opinion or attitude toward a group of people based on their actual or perceived country of birth. This bias maybe against people that have a name or accent associated with a national origin group, participate in certain customs associated with a national origin group, or because they are married to or associate with people of a certain national origin.

Disability – a preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age, or illness.

ANNUAL FIRE SAFETY REPORT

The Higher Education Opportunity Act enacted on August 14, 2008, requires institutions that maintain on-campus student housing facilities to publish an annual fire safety report that contains information about campus fire safety practices and standards. The following report details all information required by this act for the University of California, Berkeley and UCDC Berkeley.

The Annual Fire Safety Report is prepared each year by the UC Berkeley Campus fire marshal with information from the Washington Center (UCDC Berkeley) building and housing manager in order to provide the campus community and its leaders with current information on fire safety systems and procedures. The report is also issued to meet the fire-safety-related requirements of the federal Higher Education Opportunity Act, which requires that certain information pertaining to fire safety be made available to the general public.

DEFINITIONS

On-Campus Student Housing – A student housing facility that is owned or controlled by the institution or is located on property that is owned or controlled by the institution and is within a reasonable contiguous area that makes up the campus.

Fire – Any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Fire drills are conducted in all residential facilities once per year. The drills generally occur within one month of the start of the fall semester. The UC Berkeley Fire Prevention Division conducts the drills in coordination with student housing staff. The residents are aware that a fire drill will take place. However, they are not notified in advance of the date or time of the scheduled drill. When the fire alarm system is activated, all residents are informed that a drill is taking place and that they are required to exit the building. The student housing staff will do a room check to ensure that all occupants have evacuated. When this is complete, the fire prevention staff delivers a 5-7 minute safety talk to the residents and staff.

FIRE SAFETY POLICIES

The majority of the student residents, approximately 8500, are living in dormitories and apartments owned and operated by the Resident Student Services Program Department (RSSP). There are approximately 570 students living in the International House Berkeley (I-House), an independent, self-supporting, non-profit organization affiliated with the university. About 175 students are living in the university owned and Berkeley Student Cooperative (BSC) operated non-profit housing cooperatives that provide affordable housing to the UC Berkeley students.

The fire safety policy for each one of these entities varies slightly. A full version of the respective fire safety policies can be found below.

Excerpts from each organization are listed below:

A. Safety Policies

1. Fire Hazards/Appliances

RSSP - Fire Safety

- Open coil, grease burning or high heat appliances are not permitted in the residential facilities. This includes hot plates, space heaters, popcorn poppers and rice makers. Coffee pots which are UL approved are permitted.
- Too many electrical appliances plugged into one circuit will overload that circuit and blow a fuse, causing power failure. Should this occur, contact a residential staff or facilities staff member.
 - Don't overload outlets.
 - Don't plug extension cords into each other.

- Candles are not permitted because of the increased fire danger resulting from open flames.
- Incense burning is not permitted.
- Halogen lamps are not permitted. These produce extremely high temperatures.
- Paper lamp shades are not permitted.
- Non-metal or perforated wastebaskets should not be used in your room, as they are also fire hazards. Use only the fire retardant wastebaskets that have been provided.
- Barbecues are not allowed to be used in rooms or on balconies.

I-House Resident Handbook

- All electrical appliances must be used responsibly and be in good working order, free of wiring defect, and approved for use by Underwriters' Laboratory (UL). All cords and plugs must be grounded and free of frays.
- One microwave and one micro fridge are allowed in any single or double room. The maximum storage capacity permitted for refrigerators is 4.5 cubic feet with a maximum height of 35 inches. The maximum allowable wattage for microwave ovens is 800 watts.
- Only one coffee maker may be in use at a time in any residence hall room. Due to a sensitive heat/fire detection system, hot air popcorn poppers may not be used in residence hall rooms, food related appliances such as toasters, toaster ovens, crock pots, hot plates, waffle irons, rice cookers, broilers, etc. are strictly prohibited.
- Use of portable electric heaters in your room is prohibited. If there is a problem with the heat in your room, please submit a maintenance request online using the StarRez Portal.
- Use of halogen lamps in your room is prohibited. The Consumer Product Safety Commission (CPSC) has issued a warning to consumers that the light bulbs in most halogen lamps can reach very high temperature and easily start a fire if they come in contact with curtains, clothes, or other flammable materials. Due to the increased fire and safety risk, halogen lamps are prohibited.
- No modifications to or changes in, electrical wiring is permitted. No "splicing," "octopuses," or modification devices of any kind may be used to "add plugs" in your room or suite. UL approved, grounded power strips with fuses may be used only for computer and computer related hardware.

BSC Member's Manual

- The BSC discourages the use of any appliance other than a personal iron, UL approved coffee makers, a small microwave, and/or mini refrigerator in bedrooms. The use of any appliance that has an open coil or creates heat or flame is strongly discouraged outside designated kitchen areas.
- Members should also avoid halogen lamps and decorative light strings due to their high fire danger.
- Do not overload electrical outlets and make sure that furniture and other items are not placed on top of or are causing damage to extension cords.

Bowles Hall Community Standards

- In order to maintain an environment that is healthy, safe, and secure for all members of the Bowles Hall community, certain items are prohibited in or on the grounds of Bowles Hall including:
 - Electrical appliances, such as hot plates, rice cookers or coffee makers, halogen lights, and bulk substances that constitute a fire hazard
 - Incense, candles, and other open flames
 - Microwave ovens

2. Smoking

Note: As of 2014, the University of California has transitioned to a tobacco and smoke-free campus.

RSSP- Residential Code of Conduct

- In accordance with the UC Berkeley Tobacco Free Policy, smoking of any kind is not permitted within university housing or within properties owned or leased (e.g., courtyards, parking lots, etc.) by UC Berkeley. This prohibition is inclusive of the use of all tobacco products, including cigarettes, cigars, smokeless tobacco, electronic cigarettes, and vaporizers.
- Violating any other policy while smoking or using other tobacco products is prohibited.

I-House Resident Handbook

- UC Berkeley and I-House are committed to providing a healthy, tobacco-free environment for students, faculty, and staff. International House and all adjacent university property are tobacco-free. The tobacco free policy prohibits the use of all tobacco products including cigarettes, cigars, marijuana, water pipes, hookahs, "e-cigarettes," and smokeless tobacco products on I-House property and grounds. To be specific, if you

choose to smoke or use other tobacco products, you will have to leave I-House and the surrounding university property to do so. Tobacco use is prohibited in all areas of I-House and the adjacent university property, including the dining room patios, all floor lounges, the front steps, staff parking lot, and resident rooms. Smoking is prohibited in all common areas of I-House, including the dining room patios, all floor lounges, the front steps, and resident rooms. In accordance with local law, additional smoke-free areas are within 25 feet of any building, courtyard, exterior walkway, or balcony. This distance must be increased if the smoke is traveling towards a building or any window. As a courtesy to community residents, incense burning is not allowed.

BSC Member's Manual

- Smoking, candles, incense, and open flames are strictly prohibited at Cloyne Court.
- Convent Housing Contract Addendum: RULE 13: Members agree to assist the BSC in complying with all applicable codes and ordinances regarding fire safety, equipment, and exiting and shall be responsible for insuring that fire safety and suppression systems are in working order.

Bowles Hall Community Standards

- UC Berkeley and BHRC are smoke-free areas, and in accordance with the university and BHRC Tobacco Free Policies, smoking of any kind is not permitted within or on the grounds of the UC Berkeley campus or Bowles Hall. This prohibition is inclusive of the use of all tobacco products, including cigarettes, cigars, smokeless tobacco, and electronic cigarettes.

3. Open Flames

RSSP - These are prohibited per the Residential Conduct Code

- Use or possession of explosives, flammable substances, or any object that creates an open flame is prohibited. Examples include firecrackers, gasoline, lighter fluid, candles, incense, hookahs, and flame starters.
- Use or possession of appliances that produce heat or flame are prohibited outside of designated kitchen spaces. UL approved coffee makers, tea kettles and personal irons are permitted in residential rooms.
- Use or possession of cookouts and BBQs is not permitted in residential facilities without approval from a residential staff member.

I-House Resident Handbook

Open flames are not permitted in residential areas.

- Possession of explosives or flammable substances is not permitted. This includes firecrackers, flammable liquids such as lamp oil, gasoline, lighter fluid, or other chemicals that are toxic or explosive in nature.
- Candles or use of candles are not permitted.
- Use of any object that creates an open flame is not permitted. This includes candles, incense, matches, lighters and charcoal, hookahs, and flame starters.

BSC Member's Manual

- Currently there are no specific provisions for candles, incense, or open flames at Convent. However, all members are subject to relevant city, state, and federal laws.
- Cloyne Court and Convent Housing Contract, Section 21.A: Dangerous Materials. The possession of firearms, volatile solutions, explosives, fireworks, or other dangerous materials is strictly prohibited in or on the premises.

Bowles Hall Community Standards

- In order to maintain an environment that is healthy, safe, and secure for all member of the Bowles Hall community, certain items are prohibited in or on the grounds of Bowles Hall including:
 - Incense, candles, and other open flames

B. Fire Evacuation Procedures

RSSP –Fire and Earthquake Safety: What to do if there is a fire:

- If you discover a fire, pull the alarm and call 911 (or 642.3333 from a mobile phone) to confirm the fire department alert.
- Be sure to pull both the tamper cover alarm and the fire alarm lever.
- Some fire alarm stations are protected with tamper covers. Pulling the tamper cover to gain access to the fire alarm will activate the tamper alarm. This is a local alarm only and will not report the alarm condition to anyone. **You must proceed to pull the lever on the fire alarm.** By doing so, the building alarm will sound, enabling the entire facility to be evacuated and will alert UCPD and the Berkeley Fire Department of the activated alarm.

- Use an extinguisher with caution and always stay between the fire and the exit.
- If the fire becomes too large, close your door and leave the building at once. Be sure to wear shoes to avoid cutting your feet during the evacuation.
- Take your keys with you.
- Be familiar with evacuation exits. Evacuate the building immediately. Walk, do not run.
- Do not use the elevator. Use the stairs.
- When smoke or heat is encountered, keep low or crawl to avoid inhaling toxic fumes.
- When the fire alarm sounds, feel your room door to see if it is hot before opening it.
- If the door feels hot or smoke prevents exit, keep your door closed and open a window until rescued.

- Do not reenter the building until authorized by the fire department. Tampering with fire safety equipment or refusing to evacuate during an alarm are serious violations of state law and will result in disciplinary action and possible criminal prosecution.

I-House Resident Handbook

- When a fire alarm sounds, leave the building immediately using the stairs. Do not use the elevators. Learn at least two ways of exiting in the event that one is not available. Tampering with fire safety equipment, which includes alarms, pull stations, extinguishers, smoke detectors, and fire suppression sprinkler systems or refusing to evacuate during an alarm are serious violations of state law and will result in disciplinary action and possible criminal prosecution.

BSC Member's Manual

- When you discover a fire, pull the alarm and call 911 from a land line telephone or (510) 981-5911 from a cell phone.
- Use an extinguisher with caution and always stay between the fire and the exit.
- Grease fires should be extinguished with baking soda, a pot lid, or chemical extinguisher—never water as this can cause serious injury.
- If the fire becomes too large, close your door and leave the building at once. Be sure to wear shoes to avoid cutting your feet during the evacuation. Take your keys with you!
- Evacuate the building immediately. Walk, do not run.
- Do not use the elevator. Use the stairs.
- When smoke or heat is encountered, keep low or crawl to avoid inhaling toxic fumes. Breathe through a cloth, if possible and take shallow breaths.
- When the fire alarm sounds, feel your room door to see if it is hot before opening it.
- Do not open the door if the knob is hot—try to exit through a window or fire escape.
- Do not re-enter the building until the alarm has been reset and you have received authorization from the fire department.
- Tampering with fire safety equipment or refusing to evacuate during an alarm are serious violations of state law and will result in disciplinary action and possible criminal prosecution.

PROCEDURES FOR THE WASHINGTON CENTER UCDC BERKELEY

FIRE PROCEDURES

In the event of a fire or other hazard, you should be familiar with evacuation exits. Be prepared to use an alternative exit route if the normal exit route is blocked. On the back of each apartment front door is the fire evacuation route for your apartment.

The fire alarm system at the Washington Center UCDC has a horizontal notification system. This means that the alarm will sound on the floor where there is a problem and the floor directly above and directly below the source of the alarm. As soon as you hear the alarm on your floor or are notified by the building PA system that you should evacuate, please follow the procedures listed on this page. If you see others evacuating the building, it is always required that you do the same, regardless of whether the alarm sounded on your specific floor.

IF YOU HEAR AN ALARM ON YOUR FLOOR, DO THE FOLLOWING AS QUICKLY AND IN AS ORDERLY A MANNER AS POSSIBLE:

1. Leave your apartment immediately, locking the door behind you. Be sure to carry your keys and ID with you.
2. Carry a moistened towel with you in case you encounter smoke in a stairwell.
3. Use the stairwells to evacuate the building. **DO NOT USE THE ELEVATOR!**
4. When you exit the building, you will be directed to the evacuation location.
5. Do not attempt to re-enter the building until the alarm has been turned off and a residential services staff member has given the signal to re-enter.
6. In the event you need additional assistance leaving the building, please inform the residential services staff upon check-in.

IN THE EVENT YOU DISCOVER A FIRE, DO THE FOLLOWING:

1. Pull the nearest fire alarm
2. Do not attempt to fight the fire.
3. Leave the building immediately.
4. Report all details to the residential life staff member in front of the building.

IN THE EVENT OF A UTILITY FAILURE (GAS LEAK, VENTILATION, PLUMBING, ELECTRICAL), DO THE FOLLOWING:

1. Report the incident to the security desk.
2. If the fire alarm sounds as a result of a utility failure, follow the steps outlined above in the fire evacuation procedures.

IF YOU SHOULD BECOME TRAPPED INSIDE THE BUILDING, DO THE FOLLOWING:

1. Dial 9-1-1 and notify the dispatcher of your exact location.
2. Place your hand on the door and if it feels hot then do not open the door. Wet a blanket or similar item and place over the door opening (while the door is closed). This will help keep the toxic smoke from entering the room and give firefighters a chance to rescue you.
3. Fire alarms, hall smoke detectors, and sprinkler systems are all connected to a panel at the security desk. A security officer will respond to every emergency light on the panel.

WHERE TO GO—YOUR EMERGENCY EVACUATION PLAN

This plan applies to all residents at the University of California Washington Center (UCDC). Potential internal and external emergencies such as fires, explosions, bomb threats, spills, or chemical/biological releases may require residents to safely and efficiently evacuate the building or depending on the emergency situation residents may be required to stay within the building.

EVACUATION

Only one type of signal will be used for the evacuation order: the overhead public announcement system will call a Code 1 and state: Code 1, evacuation plan in effect—proceed immediately to (designated area). Unless otherwise instructed, the designated assembly area will be the multi-purpose room on the 1st floor of the building. Make sure to wear comfortable clothes, sturdy shoes, and bring with you prescription medications, your wallet and ID, and any medical or special dietary supplies that you might need. No student will be permitted to re-enter his or her living space until advised by the emergency coordinator.

The emergency coordinator may make an announcement to those gathered in the designated assembly area regarding evacuation to a secondary site. Such a decision will also be announced on the overhead public announce system, stating: This building is now being evacuated, please proceed to our secondary assembly area which will be the School Without Walls at Francis-Stevens located at 2425 N. Street, NW.

WASHINGTON CENTER UCDC BERKELEY

UCDC Berkeley students are housed in the UC Washington Center at 1608 Rhode Island Avenue, NW, Washington DC 20036. Residential housing consists of 69 two-bedroom units and 12 one-bedroom units. The facility uses the Simplex Fire system which has a full sprinkler system, is alarmed, is equipped with pull stations, and has an intelligent notification system. Stanley Convergent Security Services monitors the system 24 hours seven days per week.

FIRE SAFETY EDUCATION AND TRAINING PROGRAMS FOR STUDENTS, FACULTY, AND STAFF

RSSP

All resident assistants (RAs) are required to participate in fire safety training seminars each year prior to the start of the fall quarter. The UC Berkeley fire prevention staff delivers the training.

Residents in student housing receive the following safety education: participation in fire drills; fire safety information in the Bear Necessities - Guide to Living on Campus at UC Berkeley; and attend hall safety meeting held by the RAs

I-HOUSE

Once per year, a fire drill is held to familiarize residents with the alarm sound and with exit locations. You must leave the building and remain outside until permission is given to re-enter the building. Only the fire department or police department personnel in charge at the scene can grant permission to re-enter the building after an alarm is sounded. Fire safety information is presented at our town hall meetings and can be found in the International House Resident Handbook.

BSC

Each house-level manager is required to attend a fire safety training session prior to the beginning of each semester. The City of Berkeley Fire Department, UC fire prevention, or a certified fire safety training instructor delivers these trainings.

Residents receive the following safety education: participation in fire drills, fire safety information in the BSC Owner's Manual, and voluntary emergency preparedness workshops during the course of the semester.
